

## REMARKS

This amendment is being filed prior to payment of the issue fee. Entry of the foregoing amendment is respectfully requested. The amendment is required to correct certain informalities. The amendment does not change the scope of the claims. Accordingly, entry of the amendment is requested.

Claims 79 and 81 are currently being amended to correct certain informalities. No new subject matter is being added. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

After amending the claims as set forth above, claims 47-61, 63-64 and 79-93 are now pending in this application.

In claim 79, the phrase “the output light signal has a substantially **no** intensity” on the last line of claim 79 is amended to state that “the output light signal has a substantially **[[no]] on** intensity.”

In claim 81, the phrase “wherein the first light input signal **is stays on** constantly” is amended to state “wherein the first light input signal **[[is]] stays on** constantly.”

It is believed that no fees are due in connection with this Rule 312 amendment. In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 19-0741.

Respectfully submitted,

Date 04/30/2009
